REQUEST FOR QUOTATION

for

Procurement of Urgency of Repair of Auxiliary Trolley Required for Grab Ship Unloaders of Coal Handling Plant (CHP) at Payra 1320 MW TPP Site of BCPCL.

Issued Ref.: BCPCL/CHP/RFQ/2025-26/014

Issued On: July 07, 2026

To

1. **Bangladesh-China Power Company Limited** has been allocated funds and intends to apply a portion of the funds to eligible payments under the Contract for which this Quotation Document is issued.
2. Detailed Specifications and name plate for the intended Works and physical services are available in the office of the Procuring Entity for inspection by the potential Quotationers during office hours on all working days.
3. Quotation shall be prepared and submitted using the 'RFQ Document'.
4. Quotation shall be completed properly, duly signed-dated each page by the authorized signatory and submitted by the date to the office as specified in Para 6 below.
5. Securities such as Quotation Security (i.e. the traditionally termed Earnest Money, Tender Security) shall not be required for submission of the Quotation and delivery of the Goods or services (if awarded) respectively.
6. Quotation in a sealed envelope or by fax or through electronic mail on or before **12:30 PM on July 18, 2026**. The envelope containing the Quotation must be clearly marked "**REQUEST FOR QUOTATION for Procurement of Urgency of Repair of Auxiliary Trolley Required for Grab Ship Unloaders of Coal Handling Plant (CHP) at Payra 1320 MW TPP Site of BCPCL.**" and "**DO NOT OPEN before 1.00 P.M. on July 18, 2026**". Quotations received later than the time specified herein shall not be accepted.
7. Quotations received by fax or through password protected electronic mail or hard copy shall be sealed-enveloped by the Procuring Entity duly marked as stated in Para 6 above and, all Quotations thus received shall be sent to the Evaluation Committee for evaluation, without opening, by the same date of closing the Quotation.
8. The Procuring Entity may extend the deadline for submission of Quotations on justifiably acceptable grounds duly recorded subject to threshold of five (05) days.
9. Quotation shall be submitted as per Price Schedule of Goods and Services.
10. All Quotations must be valid for a period of at least 60 (Sixty) days from the closing date of the Quotation.
11. No public opening of Quotations received by the closing date shall be held.
12. Quotationer's rates or prices shall be inclusive of profit and overhead and, all kinds of taxes, duties, fees, levies, Transportations fees and other charges to be paid under the Applicable Law, if the Contract is awarded.
13. Rates shall be quoted and, subsequent payments under this Contract shall be made in BDT. The price offered by the Quotationer, if accepted shall remain fixed for the duration of the Contract.
14. Quotationer shall have legal capacity to enter into Contract. Quotationer, in support of its qualification shall be required to submit certified photocopies of the following documents:
 - i. Valid Trade License,
 - ii. Tax Identification certificate
 - iii. VAT Registration certificate
 - iv. Bank Solvency Certificate
 - v. Experience Certificate

BANGLADESH-CHINA POWER COMPANY LIMITED

(A Joint Venture of CMC and NWPGL)

UTC Building (Level # 5), 8 Panthapath, Kawran Bazar, Dhaka-1215, Bangladesh
Phone No. 9143908, 9140757, Web: www.bcpcl.org.bd, E-mail: info@bcpcl.org.bd

Failure to submit such documents shall cause rejection of Quotation,

15. Technical Specifications:

The scope of work shall include complete repair and restoration of the Auxiliary Trolley of Grab Ship Unloader(s) installed at the Coal Handling Plant (CHP) of Payra 1320 MW TPP Site of BCPCL. The work shall include, but not be limited to, the following:

- a. Dismantling and inspection of the damaged Auxiliary Trolley components.
- b. Identification and replacement/repair of worn-out, damaged, cracked, or deformed structural and mechanical components.
- c. Repair or replacement of trolley wheels, bearings, shafts, bearing housings, couplings, fasteners, and associated components as required.
- d. Alignment and adjustment of trolley travelling mechanisms.
- e. Repair of damaged steel structures through cutting, fabrication, welding, machining, and fitting works where necessary.
- f. Supply of all consumables, spare parts, welding electrodes, lubricants, and other materials required for successful completion of the work.
- g. Testing, commissioning, and trial operation of the repaired Auxiliary Trolley to ensure satisfactory performance.
- h. All repair works shall be carried out in accordance with standard engineering practices and OEM recommendations wherever applicable.
- i. The bidder shall provide a detailed repair methodology and list of materials/spare parts proposed to be used for the work.

16. The supplier/service provider shall submit the following documents upon completion of the work:

- a. Inspection Report
- b. Repair Completion Report
- c. Material/Spare Parts List used in the repair work
- d. Test and Commissioning Report
- e. Warranty/Guarantee Certificate for the repaired components (if applicable)

17. Inspection & Acceptance- The Procuring Entity reserves the right to inspect the repair works at any stage of execution. The repaired Auxiliary Trolley and related services shall be accepted only after successful inspection, testing, and commissioning at the Payra 1320 MW TPP Site. Any repair work, materials, spare parts, or services found not complying with the approved specifications or requirements shall be rectified or replaced by the supplier at its own cost..

18. Quotations shall be evaluated based on information and documents submitted with the Quotations, by the Evaluation Committee and, at least three (3) responsive Quotations will be required to determine the lowest evaluated responsive Quotations for award of the Contract.

19. In case of anomalies between unit rates or prices and the total amount quoted, the unit rates or prices shall prevail. In case of discrepancy between words and figures the former will govern. In case of quotation submitted on Lump-sum basis, if anomalies found between figures and words, the words will prevail. Quotationer shall remain bound to accept the arithmetic corrections made by the Evaluation Committee.

20. The repair works and related services shall be completed within twelve (12) days from the date of issuance of the Purchase Order.

Phone No. 9143908, 9140757, Web: www.bcpcl.org.bd, E-mail: info@bcpcl.org.bd

21. Bidders shall provide a detailed description of the proposed repair methodology, scope of work, materials, spare parts, and consumables to be used for the repair works. In addition, bidders must submit at least three (03) work completion certificates, experience certificates, or client references demonstrating successful execution of similar repair, maintenance, marine service, ship unloader, port equipment, crane, trolley, or other relevant mechanical repair works. Marine service repair experience certificates will be given preference. Failure to submit the required experience documents and adequate technical information may render the quotation technically non-responsive. Generic statements such as "As Per Requirement", "As Per RFQ Document", or similar remarks without supporting technical details shall not be accepted and may result in the quotation being considered technically non-responsive.
22. The Purchase Order that constitutes the Contract binding upon the Supplier and the Procuring Entity shall be issued within 03 days of receipt of approval from the Approving Authority.
23. The Procuring Entity reserves the right to reject all the Quotations or annul the procurement proceedings.

Terms and Conditions for Procurement of Urgency of Repair of Auxiliary Trolley Required for Grab Ship Unloaders of Coal Handling Plant (CHP) at Payra 1320 MW TPP Site of BCPCL.

1. These Terms and Conditions shall be binding upon both the Procuring Entity and the Supplier for execution and management of this Contract.
2. Implementation and interpretation of these Terms and Conditions shall be governed by the procurement procedures of BCPCL and applicable laws.
3. The Supplier shall complete the execution of work within twelve (12) days from the date of issuance of the Purchase Order in conformity with the Contract.
4. Extension of time may be granted in case of force majeure or delays attributable to the Procuring Entity, subject to proper justification and written approval.
5. All works shall remain open to inspection, testing, measurement, and supervision by the Procuring Entity or its authorized representatives at any stage of execution.
6. The Procuring Entity shall inspect and verify the completed work and notify the Supplier of any defects or non-conformities.
7. If the works/services are found defective or not in accordance with specifications, the Procuring Entity reserves the right to reject the same with proper notice and justification.
8. The Supplier shall be responsible for payment of all applicable taxes, duties, fees, transportation charges, and other statutory levies.
9. Payment shall be made based on actual completion and acceptance of work, supported by certification of the Concerned Authority and submission of completion documents. 100% payment shall be made after satisfactory completion and acceptance.
10. The Contract Price shall be inclusive of profit, overhead, taxes, duties, fees, levies, transportation, labor, materials, consumables, spare parts, and all other costs required for complete execution of the works.
11. Total Contract Price: BDT _____ (In Words: _____).
12. The Supplier shall comply with all applicable laws and remain fully responsible for contractual obligations.
13. The Supplier shall indemnify the Procuring Entity against any loss, damage, or claim arising out of execution of the works/services.
14. Any claim arising from execution shall be resolved by the Supplier at its own cost and responsibility.
15. Any damage arising during the warranty period attributable to execution shall be rectified by the Supplier at its own cost.
16. No modification to scope of work or variation in quantity shall be allowed without prior written approval of the Procuring Entity.
17. The Procuring Entity may amend the Contract as required in accordance with applicable laws and procurement procedures.
18. The Supplier shall ensure occupational safety and health measures for workers and all personnel involved in execution.
19. The Procuring Entity may terminate the Contract by written notice if the Supplier:
 - a) Fails to complete within the stipulated time;
